

# Fox Creek School Experiential Learning Week

April 1 - 5

Experiential learning refers to hands-on, planned learning experiences in a variety of career interest areas.

Organized in a way that meets a student's life and career aspirations, experiential learning can enhance student growth and development.

Students in Grades 7 through 12 have the opportunity to explore interests in the areas of Welding, Electrical, Painting, Coding, Money Management and Design Studies.

Plus, Maker Days, Lunch and Learn Guest Speakers and a Showcase and Gallery Walk to celebrate this exciting week of learning!

**EXPERIENTIAL  
LEARNING WEEK SHOWCASE  
AND GALLERY WALK**

Friday, April 5 at 1 pm

Refreshments provided by the 'Cooking with Class' high school program!
