Principal's Message

To the Fox Creek School Learning Community,

Thank you for another wonderful and productive school year. I can't thank everyone enough for your endless hours of volunteering, chaperoning, reading, organizing, donating and doing whatever was necessary to support students—both at home and at school. Special thanks to our School Council who, as usual, went above and beyond the call of duty to provide whatever was necessary to add to our students' already rich school experience.

That experience could not occur without the endless energy, skills and devotion of the Fox Creek School staff. Thanks and well done to an incredible group of professionals.

A final word to Fox Creek students: Thank you for all your hard work throughout the school year. I am so honored to be your principal; you make me proud to be a leader at Fox Creek School. You keep me laughing and young at heart. I am grateful for your joy, astute insights and amazing talents. Best wishes to our graduating grade 12s, whom I will miss greatly—please come back and visit. I hope everyone has a safe and happy summer break.

Until next school year, here's wishing you love, laughter and learning.

Outdoor Learning Space

Fox Creek School is very excited to be commencing on our new project of creating an Outdoor Learning space on the location of the decommissioned pool site. The first step is planting some trees and laying sod thanks to a grant from Trees Canada funded by Pembina Pipeline Corporation. We are looking forward to the naturalization of this space and the creation of a shade area at our new upper elementary basketball courts. With the trees and sod in, the school will continue working on the site to create planters, seating, a living wall, and more!
