Message from the Principal

Dear Parents, Guardians, and Students,

As the vibrant energy of May unfolds around us here in Fox Creek, we find ourselves embracing the longer days and the promise of the season. The school is buzzing with activity as we continue to engage in rich learning experiences and celebrate the achievements of our students.

Last week brought with it a visit from the NGPS Board of Trustees who were impressed with the work of our students and staff. We were so proud to witness our students and staff share their learning celebrations with the Trustees.

Ms. Liske's Grade ½ classroom has been enjoying the hatching of some chicks. The Jr./Sr. Track Meet was an exciting and fun-filled day. We also have some other exciting events planned. The Elementary Track Meet is set to run on June 6. We are still looking for parent volunteers. If you are available to assist please contact Mrs. DeCiccio. The Jr./ Sr. High Dance will occur on May 29th. Please keep an eye on our school calendar and upcoming notices for specific dates, times, and details of upcoming events.

We continue to emphasize the importance of respectful interactions, reading at home, and kindness. Your ongoing support in reinforcing these values at home is invaluable to our students' growth and success.

As we move closer to the end of the school year, we encourage students to remain focused on their learning and to make the most of the opportunities available to them. Please don't hesitate to reach out to your child's teacher or the school administration if you have any questions or concerns.

Thank you for your continued partnership in making Fox Creek School a supportive and thriving learning environment for all our students.

Sincerely,
Ian Baxter
Principal, Fox Creek School

CHAMP

Grade 9 Students Take Part in 'Get Connected'

The 'Get Connected' program (which is brought to us from the Community Helpers Program through Alberta Health Services) is a suicide prevention program. Grade 9 students are participating in this informative and supporting program.

"Objectives of the Community Helpers Program include:

- Bridge "formal" and "informal" support for young people
- Early identification of young people who may be at risk
- Prevention and early intervention
- Provide young people and community with accurate information and resources
- Link young people to existing service providers
- Build community capacity for mental health promotion
- Reduce stigma of mental health and suicide by raising awareness and understanding of the factors that contribute to poor mental health and suicide."
